<https://virtual-meetings.tsxtrust.com/en/1740/>. The password for the live webcast is **wallbridge2025 (case sensitive)**.

The meeting will be held for the following purposes:

1. to receive the audited financial statements of the Company for the financial year ended December 31, 2024 and the report of the auditors on such financial statements;
2. to set the number of directors at six (6);
3. to elect directors for the ensuing year;
4. to appoint auditors and authorize the directors to fix the auditors’ remuneration;

The nature of the business to be transacted at the Meeting is described in further detail in the Information Circular.

The directors have fixed that time which is 48 hours, excluding Saturdays, Sundays and holidays, prior to the hour of the meeting, or any adjournment thereof, as the time before which proxies to be used at the meeting must be deposited with the Company or an agent thereof. A failure to so deposit the proxy may result in its invalidation.

NOTICE-AND-ACCESS

Notice is also hereby given that the Company has decided to use the notice-and-access method of delivery (“**Notice-and-Access**”) of Meeting Materials (as defined below) for the Meeting. Notice-and-Access allows the Company to deliver the Meeting Materials over the internet in accordance with the Notice-and-Access rules adopted by the Ontario Securities Commission under National Instrument 54-101-*Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the Notice-and-Access system, Shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Information Circular, the annual financial statements and related management’s discussion and analysis and other information (the “**Meeting Materials**”), Shareholders receive this notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to Shareholders. **Shareholders are reminded to review the Meeting Materials prior to voting.**

WEBSITES WHERE MEETING MATERIALS ARE POSTED

Materials can be viewed online under the Company's profile at <https://www.sedarplus.ca/landingpage/>, at <https://docs.tsxtrust.com/2016> or on the Company's website at <https://wallbridgeminig.com/investors/agm/>. The Company will not use procedures known as "stratification" in relation to the use of Notice-and-Access provisions. Stratification occurs when a reporting issuer using Notice-and-Access provides a paper copy of the Management Information Circular to some Shareholders with this notice package.

HOW TO OBTAIN PAPER COPIES OF THE MEETING MATERIALS

Registered holders or beneficial owners may request paper copies of the Meeting Materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on the Company's website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please call toll free at 1-866-600-5869 or email tsxtis@tmx.com.

Requests should be received by June 3, 2025 in order to receive the Meeting Materials in advance of the meeting date.

Only holders of shares of record at the close of business on April 25, 2025 will be entitled to receive notice of and vote at the Meeting. **The Company encourages all Shareholders to vote in advance of the Meeting. Shareholders are reminded to review the Information Circular before voting.**

DATED at Sudbury, Ontario this 30th day of April, 2025.

personally or electronically or by telephone by directors, officers and employees of the Company at nominal cost. The cost of solicitation by management will be borne by the Company.

1. Notes:

⁽¹⁾ In 2024, directors' fees earned and all other compensation of \$210,980 was settled by issuing a total of 2,989,307 DSUs, with an average grant price of \$0.071, in lieu of cash payment. The remaining fees of \$129,888 were payable in cash.

⁽²⁾ The values in this column represent a Black-Scholes-Merton evaluation of the option-based awards based on the grant date fair value recognition provisions of IFRS 2 and may or may not be realized. Refer to footnote (3) in the Summary Compensation table for details concerning the measurement inputs and assumptions used in the pricing model for the 2024 financial year.

⁽³⁾ Alar Soever did not stand for re-election at the Annual Meeting of Shareholders held on June 6, 2024.

3) DIRECTOR EQUITY OWNERSHIP REQUIREMENT

In 2021, a Director Equity Ownership Requirement was introduced that requires all directors to own Wallbridge Common Shares or DSUs. The current minimum share ownership requirement for directors is a value equivalent to three times the annual base cash retainer of \$30,000 for directors who are not NEOs (i.e., \$90,000). For the Chair, the current minimum share ownership is equivalent to three times the annual base cash retainer of \$56,250 (i.e., \$168,750).

Directors are required to have at least 50% of their compensation paid as DSUs until this ownership threshold is achieved. If the annual base cash retainer is increased, directors will be required to achieve the required minimum equity ownership level within two years of the effective date of the retainer increase. Once the minimum equity ownership level is achieved, each individual is required to maintain his or her minimum ownership level throughout his or her term as a director of the Company and securities may not be the object of specific monetization or other hedging arrangements to reduce or offset exposure to the market value of these holdings.

The value held shall be determined as of December 31 of each year based on the greater of the initial acquisition cost and the then 200-day volume-weighted average price of the common shares of the Company on the Toronto Stock Exchange. For further certainty, options to purchase common shares do not count towards the equity ownership requirement but outstanding DSUs are permitted to be included in the equity value calculation. The Board may establish, from time to time, limits on what proportion of the minimum share ownership requirements may be satisfied by holdings of DSUs. As of December 31, 2024 one director, Danielle Giovenazzo, did not meet the minimum share ownership requirement and has elected to receive 100% of 2025 director fees in DSUs.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

1) COMPENSATION PRINCIPLES

(A) COMPENSATION PHILOSOPHY

The Company's compensation principles are designed to attract, retain, motivate, and reward high performing senior management throughout the organization. The Compensation and HR

Committee and the Board have approved a compensation philosophy that reflects the following

Overall compensation will consist of base salary, short term incentives (performance-based cash bonus) and long-term incentives (option-based awards) (plus benefits for eligible employees). A substantial amount of pay is delivered through incentive compensation (short- and long-term) to align executives with the interests of the Company's Shareholders.

Wallbridge supports the principle of setting base salaries based on the median compensation of a peer group of similar companies. Objective salary data and industry pay statistics are used to inform compensation decisions. Decisions are responsible, defensible and aligned with the interests of the Company's Shareholders.

(B) COMPENSATION TIMETABLE

The Compensation and HR Committee establishes an annual Compensation Timetable to govern all compensation decisions and activities for the year, including specific responsibilities for final review, approval, and timelines. In general, compensation activities are undertaken as follows:

December-March:	Develop corporate scorecard. Review Compensation and HR Committee charter. Determine year-end performance results against Annual corporate scorecard. Identify engagement drivers/systems, statistics. Review of peers and survey data. Size grants under the Plans. Draft incentive plan payouts. Determine compensation levels and packages. Draft proxy circular. Award grants under the Legacy Omnibus Plan and the proposed LTIP.
April:	Develop compensation timetable. Update on achievement of current year's corporate scorecard. Evaluate engagement drivers/systems, statistics. Review compensation timetable with Board. Review compensation feedback.
Other:	Throughout the remainder of the year, the Compensation and HR Committee also deals with other important topics including: <ul style="list-style-type: none"> • Succession planning for staff and NEO positions. • Ongoing performance review. • Compensation philosophy and peer criteria. • Development of next year's scorecard.

The compensation discussion and information contained in this Management Information Circular reflects the Compensation and HR Committee activities undertaken in the 2024 calendar year.

(C) PEER GROUP

Prior to selecting specific industry peers to benchmark compensation, the Compensation and HR Committee identified, and the Board approved, specific criteria that would be used for the selection of peers. The goal was to use criteria that reflected the actual state of Wallbridge's current business, not what Wallbridge could become in the future. By establishing the criteria in advance, subjectivity could be reduced and specific peers could be selected objectively. The selected criteria included:

- Market Capitalization as close to Wallbridge as possible (ideal if Wallbridge fell in the middle of the range).
- Assets: Exploration and development stage properties with mineral resources.
- Commodity: Focus on gold, with less emphasis on base metals.
- Complexity: Primarily Canadian assets, preference on exploration and development.
- Headquarters: Canada.

On recommendation of the Compensation and HR Committee, several of the more advanced stage mining companies were dropped from the 2023 peer group, and several additional exploration/development stage companies were added for 2024. The selected peers were:

White Gold	Falco Resources	Fury Gold Mines Limited	Amex Exploration
Banyan Gold	STLLR Gold	O3 Mining ⁽¹⁾	Troilus gold
Northern Superior Resources	Radisson Mining	First Mining	

Notes:

- ⁽¹⁾ O3 Mining was acquired by Agnico Eagle in late 2024 and has been replaced in the 2025 peers with NexGold Mining.

2) **COMPENSATION GOVERNANCE**

The Compensation and HR Committee reports to the Board and advises and makes recommendations to the Board in its oversight role with respect to the adequacy and form of compensation for directors and officers and the nomination, evaluation, development, and succession of the officers of the Company.

The current members of the Compensation and HR Committee are Brian Christie (Chair), Danielle Giovenazzo and Michael Pesner. Additional information regarding the members and the charter of the Compensation and HR Committee can be found under the heading "Item 16 - *Statement of Corporate Governance Practices*."

(B) INDEPENDENT ADVICE

The Compensation and HR Committee has the authority to retain independent counsel and other experts, or advisors as considered advisable to assist the Compensation and HR Committee in carrying out its duties.

(C) COMPENSATION COMMITTEE ACTIVITIES

In 2024, Compensation and HR Committee activities included:

- Updating the enhanced performance metrics and KPI (key performance indicators) program that incorporates weightings for specific roles and threshold, target and maximum ratings for numerical targets.

- Reviewing actual performance of the Company and officers versus pre-established performance targets and recommendations of performance-based cash bonus awards.
- Confirming and aligning the compensation philosophy, peer criteria and peer selection.
- Reviewing the total remuneration for officers and directors and recommending 2024 remuneration to the Board.
- Conducting a formal review of individual officer performance.
- Maintaining a formal succession plan for officers and recommendations for career and leadership development.
- Completing an annual review of the Compensation and HR Committee Charter.

(D) MANAGING COMPENSATION RISK

The Compensation and HR Committee and the Board, in performing their duties and exercising their powers under their mandate, consider the implications of the risks associated with the Company's compensation policies and practices. This includes identifying any such policies or practices that encourage executive officers to take inappropriate or excessive risks; identifying risks arising from such policies and practices that are reasonably likely to have a material adverse effect on the Company; and considering the risk implications of the Company's compensation policies and practices and any proposed changes.

The Compensation and HR Committee and the Board have incorporated the following into the compensation program to ensure that officers are compensated fairly and in a manner that does not cause undue risk or encourage excessive risk-taking:

- The Compensation and HR Committee reviews and recommends remuneration for all officers, including base salary, performance-based cash bonus and share-based awards to the Board for review and approval.
- Officer compensation is reviewed annually, and industry benchmarking is used to assess competitiveness and appropriateness.
- Corporate objectives, which incorporate both quantitative and qualitative measures that are aligned with the business plan, are established each year for the annual performance-based cash bonus. These objectives are reviewed by the Compensation and HR Committee and approved by the Board.
- A consistent compensation structure, based on facts and data, is applied to officers and all other employees.

3) 2024 COMPENSATION

(A) COMPENSATION STRUCTURE

The compensation structure for NEOs consists of a base salary, short term incentives (performance-based cash bonus) and long-term incentives (option-based awards). This structure reflects the Company's current status as an exploration company.

(B) BASE SALARY

The base salary is considered fixed compensation and is reviewed annually.

(C) PERFORMANCE-BASED CASH BONUS

The performance-based cash bonus is intended to incent and reward NEOs for the achievement of the Company's annual business objectives. The short-term incentives (performance-based cash bonus) represent at-risk compensation and payment depends on the achievement of pre-determined performance targets and KPI's. The short-term incentive targets are based on a percentage of salary for each position.

The following table summarizes the performance-based cash bonus targets for NEOs.

Position	2024 Target as % of Base Salary
CEO	50%
CFO	35%

Specific performance metrics are established annually and reflect the Company's strategy, goals, and annual budget. For 2024, the performance metrics fell into four categories: Health & Safety and ESG, Value Creation, Financial Performance and Shareholder Return. Within each of these categories, key performance indicators were determined, and a target score was established for each one.

Health & Safety and ESG:

The Health & Safety and ESG metrics reflect the Company's commitment to health and safety, the environment, our employees, and communities. The Company believes that ESG performance plays a foundational role in supporting its ability to create sustainable, long-term value that enhances the business, the environment, and the communities in which it operates. Building comprehensive HR plans and HSEMS frameworks now, will give the Company the building blocks it will need to grow the business. The Health & Safety and ESG metric represented 25% of the overall performance score.

VALUE CREATION:

The Value Creation metrics for 2024 focused on:

- Improving the geological modelling and metallurgy at Martiniere;
- locating additional gold mineralization proximal to Fenelon and completing technical studies for design improvements to the PEA; and,
- regional exploration focused on discovering new zones of mineralization on the property.

The Value Creation metrics represented 40% of the overall performance score.

FINANCIAL PERFORMANCE:

The Financial Performance metric focuses on financing and adherence to the annual budget. The Financial Performance metric represents 10% of the overall performance score.

SHAREHOLDER RETURN:

The Shareholder Return metric represents 25% of the overall performance score. The Company did not achieve the requisite share price improvement and increase in analyst coverage during the year.

The specific Performance Metrics and key performance indicators are outlined in the table on the following page. In addition, threshold, target and maximum weightings were established for the operation's key performance indicators and those that were numerically based.

Performance based cash bonuses are recommended by the Compensation and HR Committee and approved by the Board. Bonuses for 2024 performance were paid in 2025.

(D) LONG-TERM INCENTIVE PLANS

The Legacy Omnibus Plan and the proposed LTIP (collectively the “**Plans**”), described herein, were created to attract, retain, motivate and reward senior management, directors, employees and contractors with a variable incentive that rewards performance and commitment and aligns their interests with those of Shareholders. The Compensation and HR Committee believes that long term incentives, in the form of option-based awards, reward value creation and are appropriate given Wallbridge’s status as an exploration company. In 2024, the Company engaged Willis Towers Watson to complete an evaluation of 2025 long-term incentive (“**LTI**”) compensation (fee paid to Towers Watson Canada Inc: \$37,251). For 2025, the Company chose to issue LTI in the form of 25% as stock options (directors, employees and contractors), 75% as RSUs (employees and contractors) and 75% as DSUs (directors).

Awards are recommended by the Compensation and HR Committee for approval by the Board.

(E) PERFORMANCE GRAPH

The following performance graph (“**Performance Graph**”) shows the change in the Company’s share price relative to the return on the S&P/TSX Global Gold Index and the S&P/TSX Composite Index, assuming an investment of \$100 on the first day of 2020. Effectively, the Performance Graph measures the difference between the price for the Company’s Common Shares at the beginning of January 2020 and the price of those Common Shares through to December 31, 2024, as compared to the two indices described above.

During the 5-year period from January 1, 2020 to December 31, 2024, the Company's share price has seen a steady decline since its record peaks in the second and third quarter of 2020. This share decline is attributed to a number of factors including the current stage of the Company's exploration along Detour-Fenelon Gold Trend (being in the resource stage) as well as the recent lack of market interest in non-producing companies.

The Company has a formal performance-based cash incentive program linked to specific performance metrics and KPI's to ensure alignment with Company performance. The actual percentage achieved Company-wide was 79% for 2020, 63.5% for 2021, 78.0% for 2022, 47% for 2023 and 58% for 2024.

4) LEGACY OMNIBUS PLAN

The Company's Legacy Omnibus Plan was formally adopted by the Shareholders on May 23, 2013 and ratified most recently by the Shareholders on May 10, 2022. Under Toronto Stock Exchange rules, the Company's long-term incentive plan must be approved every three years by the Shareholders of the Company and all then unallocated entitlements under the long-term incentive plan must be ratified by the shareholders of the Company. Given that the Legacy Omnibus Plan has been in place for approximately 12 years, the Company felt it prudent to update its long-term incentive plan and as such is asking for approval of the adoption of the Company's LTIP, as described herein, by the shareholders of the Company at the Meeting.

The Plans provide for the use of DSUs as partial payment of directors' fees. A DSU is a notional share that has the same value as one of the Company's shares. Under the Plans, directors may choose, with the consent of the Company, to take all or part of their fees in DSUs. DSUs are paid out to directors as common shares when they retire from the Board. A retiring director can defer the payout of his/her DSUs to the year following his/her departure from the Company.

The use of DSUs enhances the alignment of director interests more closely with those of the Shareholders while also preserving cash for the Company.

No cash settlements are made in respect of vested stock options, RSUs or DSUs; settlement is made in the form of common shares only.

The Compensation and HR Committee examines the amount and terms of outstanding options, other share-based awards and cash position of the Company when determining whether and how many new share-based awards will be granted. As noted above, the Compensation and HR Committee also considers the compensation which comparable companies make available to their directors, officers and employees when granting share-based awards under the Plans, see Compensation Philosophy above.

Ultimately, the Plans provide the Company with additional reward measures which are tied to performance, and which allow the Company to enhance alignment of the grantee's short- and long-term interests with those of Shareholders.

Further information concerning the Legacy Omnibus Plan can be found under "Item 9 - Securities Authorized for Issuance under Equity Compensation Plans;" further information concerning the LTIP can be found under "Item 14 - Particulars of Matters to be Acted On," and Schedule "A" to this Information Circular.

As of the date of this document, a total of 53,556,486 Awards were outstanding under the Legacy Omnibus Plan which represents approximately 4.9% of the common shares outstanding. Based on 1,099,805,976 common shares outstanding as of the date of this Information Circular, the Company may grant an additional 56,424,112 Awards under the Legacy Omnibus Plan, which represents approximately 5.1% of the outstanding common shares.

The Company does not maintain any defined benefit, defined contribution plans or any other deferred compensation plans other than as may be provided in the Legacy Omnibus Plan.

6) TERMINATION AND CHANGE OF CONTROL BENEFITS

The Company as at year end has no plans or arrangements in respect of remuneration received or that may be received by a NEO in the Company's most recently completed financial year or current financial year in respect of compensating such NEO in the event of termination of employment or a change in responsibilities following a change of control, except as per the below.

Her employment contract dated December 7, 2018, and addendum signed November 3, 2023, provides that the Company may at any time and without cause terminate her employment upon giving not less than six months working notice. In the event of a change of control and for a period of 6 months thereafter, Mr. Penny's employment contract provides as follows: (i) Mr. Penny may terminate his employment upon prior notice of not less than three business days and thereupon he shall be entitled to receive, and the Company shall pay to him, severance pay in an amount equal to one times his annual salary in effect immediately prior to the change of control, or, (ii) the Company may terminate his employment upon prior notice of not less than three business days and thereupon Mr. Penny shall be entitled to receive, and the Company shall pay to him, severance pay in an amount equal to one times his annual salary in effect immediately prior to the change of control. Item 9. SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Legacy Omnibus Plan

The Legacy Omnibus Plan was adopted by shareholders on May 9, 2013, and ratified by the Shareholders on May 12, 2016 (the “**Original Omnibus Plan**”). On May 25, 2022, the Original Omnibus Plan was most recently ratified by the Shareholders, as were certain amendments to the Original Omnibus Plan, along with certain other non-material amendments (previously defined herein as the “**Legacy Omnibus Plan**”).

The following is a summary of the important provisions of the Legacy Omnibus Plan. It is not a comprehensive discussion of all of the terms and conditions of the Legacy Omnibus Plan.

Purpose. The purpose of the Legacy Omnibus Plan is to advance the interests of the Company by encouraging employees, consultants and non-employee directors to receive equity-based compensation and incentives, thereby (i) increasing the proprietary interests of such persons in the Company, (ii) aligning the interests of such persons with the interests of the Company's shareholders generally, (iii) encouraging such persons to remain associated with the Company, and (iv) furnishing such persons with additional incentive in their efforts on behalf of the Company. The Board also contemplates that through the Legacy Omnibus Plan, the Company will be better able to compete for and retain the services of the individuals needed for the continued growth and success of the Company.

Administration. Under the Legacy Omnibus Plan, the Board may, at any time, appoint a committee to, among other things, interpret, administer and implement the Legacy Omnibus Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with the Legacy Omnibus Plan.

Eligible Persons. Under the Legacy Omnibus Plan, awards may be granted to any non-employee director, officer, employee, or consultant, or any of its affiliates. A participant (also known as a grantee) is an eligible person to whom an award has been granted under the Legacy Omnibus Plan.

Number of Securities Issued or Issuable. Subject to the adjustment provisions provided for in the Legacy Omnibus Plan and the applicable rules and regulations of all regulatory authorities to which the Company is subject (including any stock exchange), the total number of Common Shares reserved for issuance pursuant to the Legacy Omnibus Plan shall not exceed 10% of the issued and outstanding Common Shares, which number shall not include Common Shares reserved for issuance pursuant to the existing Legacy Omnibus Plan.

If an outstanding award for any reason expires or is terminated or is cancelled without having been exercised or settled in full, the Common Shares will again be available for issuance under the Legacy Omnibus Plan.

Maximum Grant to Any One Participant. The number of Common Shares issued to insiders within any one year period and issuable to the insiders at any time under the Legacy Omnibus Plan or when combined with all the other security based compensations arrangements of the Company (as determined under the rules of the TSX) shall not exceed 10% of the total issued and outstanding Common Shares, respectively; and the number of Common Shares issued, or reserved for issuance with respect to awards, to any one insider within any one year period under the Legacy Omnibus Plan and all other Company security-based compensation arrangements (as determined under the rules of the TSX) shall not exceed 5% of the total issued and outstanding Common Shares.

For the purposes of determining compliance with the above restrictions, the granting authority will take into account Common Shares reserved or issued pursuant to options together with Common Shares reserved or issued pursuant to all of the Company's security-based compensation arrangements to the extent required by applicable law and applicable rules of the TSX.

Exercise Price of Options. The exercise price per Common Share for options is recommended by the Company's Compensation and HR Committee provided that the exercise price at the time of the grant must not be lower than the closing price for such shares as quoted on the TSX on the last business day prior to the date of grant or, in the alternative, not lower than the 5 day weighted average trading price of the shares for the last 5 days that the shares traded on the TSX prior to the date of grant.

Term of Options. Subject to an extension in the case of a blackout period, the term of options granted will be recommended to the Board by the Compensation and HR Committee and specified in the option agreement pursuant to which such option is granted, provided that the date cannot be the earlier of: (i) the date which is the 10th anniversary of the date on which such option is granted; and (ii) the last date permitted under the applicable rules and regulations of all regulatory authorities to which the Company is subject.

Restricted Share Units ("RSUs"). RSUs granted pursuant to the Legacy Omnibus Plan are used to compensate participants for their individual performance-based achievements and are intended to eventually supplant stock option awards in this specific respect. The goal of such grants is to more closely tie awards to individual performance based on established performance criteria.

Deferred Share Units ("DSUs"). DSUs granted pursuant to the Legacy Omnibus Plan are used as a means of reducing the cash payable by the Company in respect of director compensable amounts. In so doing, the interests of non-employee directors will become more closely aligned with those of the Company and its Shareholders. Deferred Share Units are only available for grant to non-employee directors and vested DSUs will be settled upon the date on which the grantee ceases service as a director and is not at that time an employee or officer of the Company or a related entity.

Transfer Restrictions. Unless otherwise provided in the instrument of grant evidencing an award, no award, and no rights or interests therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged, or otherwise hypothecated or disposed of other than by

testamentary disposition by the grantee or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process including without limitation seizure for payment of the grantee's debts, judgments, alimony, or separate maintenance.

In the case where transfer is made following the death of a grantee to the grantee's legal personal representative, such legal personal representative may only receive the entitlement under the award provided that it is exercised (if exercisable) at any time up to and including, but not after, 5:00 o'clock in the afternoon (Eastern Time) on the date which is one year following the date of death of the grantee or up to 5:00 o'clock in the afternoon (Eastern Time) on the date on which the award granted to such grantee expires, whichever is the earlier; such entitlement shall only occur in cases where the award has vested in accordance with the provisions of the Legacy Omnibus Plan and where it is found that the grantee is legally entitled to the award.

Cessation. Unless the Granting Authority, as defined in the Legacy Omnibus Plan, determines otherwise, awards granted shall terminate at the earlier of the expiry date and: i) at the date the Company ends the grantee's employment for cause; ii) in the case of Eligible Retirement, as defined in the Legacy Omnibus Plan, on the expiration date of any vested awards as of the date of Eligible Retirement; iii) as a result of total disability or death any non-vested portion of any outstanding award that has not already terminated shall immediately terminate, any Vested Option shall expire the later of the first anniversary of such termination of employment as a result of total disability or death; or the first anniversary of such person's death during the Applicable Post-Retirement Period or the Applicable Post-Disability Period as defined in the Legacy Omnibus Plan.

Procedure for Amending. Subject to the terms of the Legacy Omnibus Plan and any applicable requirements of the TSX, the Company's Compensation and HR Committee has the right at any time to amend the Legacy Omnibus Plan or any award agreement thereunder, provided that Shareholder approval has been obtained by ordinary resolution. Notwithstanding the foregoing, Shareholder approval is not required for the amendments set out below (unless and to the extent prohibited by applicable law or rule of a stock exchange):

- (a) amendments of a technical, clerical or "housekeeping" nature including, without limiting the generality of the foregoing, any amendments for the purpose of curing any ambiguity, error or omission in the Legacy Omnibus Plan or to correct or supplement any provision of the Legacy Omnibus Plan that is inconsistent with any other provision of the Legacy Omnibus Plan;
- (b) amendments necessary to comply with the provisions of applicable law and the applicable rules of the TSX;
- (c) amendments necessary in order for awards to qualify for favourable treatment under the *Income Tax Act* (Canada) or under the United States *Internal Revenue Code*;
- (d) amendments respecting administration of the Legacy Omnibus Plan including, without limitation, the method or manner of exercise of any award;
- (e) any amendments to the vesting provision of the Legacy Omnibus Plan or any award;
- (f) any amendments to the early termination provisions of the Legacy Omnibus Plan or any award, whether or not such award is held by an insider, provided such amendment does not entail an extension of an award beyond the original expiry date;

- (g) any amendments in the termination provision of the Legacy Omnibus Plan or any award, other than an award held by an insider in the case of an amendment extending the term of an award, provided any such amendment does not entail an extension of the expiry date of such award beyond its original expiry date;
- (h) the addition of any form of financial assistance by the Company for the acquisition by all or certain categories of participants of Common Shares under the Legacy Omnibus Plan, and the subsequent amendment of any such provision;
- (i) the addition or modification of a cashless exercise feature, payable in cash or Common Shares, which provides for a full deduction of the number of underlying Common Shares from the Legacy Omnibus Plan reserve;
- (j) adjustments to outstanding awards in the event of a Change of Control or similar transaction entered into by the Company;
- (k) amendments necessary to suspend or terminate the Legacy Omnibus Plan; and
- (l) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules of the TSX.

Financial Assistance. The Company does not provide financial assistance to participants to facilitate the purchase of Common Shares upon the exercise of options granted under the Legacy Omnibus Plan.

Other Material Information. Appropriate adjustments to the Legacy Omnibus Plan and to awards granted thereunder will be made by the Company to give effect to adjustments in the number and type of Common Shares (or other securities or other property) resulting from subdivisions, consolidations, substitutions, or reclassifications of Common Shares, payment of stock dividends or other prescribed changes in the Company's capital. In the event of any merger, acquisition, amalgamation, arrangement or other scheme of reorganization that results in a Change of Control, the Compensation and HR Committee will, in an appropriate and equitable manner: (i) determine the purchase price or exercise price with respect to any award, provided however, that the number of Common Shares covered by any award or to which such award relates is always a whole number; or (ii) determine the manner in which all unexercised option rights granted under the Legacy Omnibus Plan will be treated; or (iii) offer any participant the opportunity to obtain a new or replacement option over any securities into which the Common Shares are changed or are convertible or exchangeable, on a basis proportionate to the number of Common Shares under option and the exercise price (and otherwise substantially upon the terms of the option being replaced, or upon terms no less favourable to the participant). Additionally, in the event of a Change of Control, vesting of awards is accelerated to the date which is immediately preceding the Change of Control date. The Legacy Omnibus Plan does not provide for the ability to transform a stock option into a stock appreciation right involving an issuance of securities from treasury.

The following table provides additional data with respect to the Legacy Omnibus Plan as at December 31, 2024:

(E) APPROVAL OF THE OMNIBUS LONG TERM INCENTIVE PLAN:

At the Meeting, Shareholders will be asked to approve the adoption of the Company's Omnibus Long Term Incentive Plan (the "**LTIP**") and pass the ordinary resolution set forth below (the "**LTIP Resolution**"). The complete text of the LTIP is set out in Schedule "A" to this Information Circular and a summary of its material terms is provided below. The LTIP was approved by the Board on April 30, 2025.

Any existing options, restricted share units and deferred share units that were granted prior to the effective date of the LTIP pursuant to the Company's existing Legacy Omnibus Plan, which was last approved by the Shareholders on May 25, 2022, will continue in accordance with their terms. Upon the effective date of the LTIP, however, options, restricted share units and deferred share units shall no longer be granted pursuant to the Legacy Omnibus Plan and shall only be granted pursuant to the LTIP.

As at April 30, 2025, 34,929,820 Options, 7,993,178 RSUs and 10,633,488 DSUs (each defined below) were granted under the Legacy Omnibus Plan (representing 3.18%, 0.73% and 0.97% of the Company's outstanding Common Shares, respectively). A further 56,424,112 Common

Shares remain issuable under the Legacy Omnibus Plan in the form of Options, RSUs and DSUs (representing 5.13% of the Company's outstanding Common Shares); however, upon the effective date of the LTIP, Options, RSUs and DSUs shall no longer be granted pursuant to the Legacy Omnibus Plan and shall only be granted pursuant to the LTIP.

The Company's annual burn rate, as described in Section 613(p) of the TSX Company Manual, under the Legacy Omnibus Plan was 1.15% for the year ended December 31, 2024, 1.21% for the year ended December 31, 2023 and 1.36% for the year ended December 31, 2022. The burn rate is subject to change from time to time, based on the number of Options, RSUs and DSUs, (each as defined below) granted, and the total number of Common Shares issued and outstanding. For the purposes of the foregoing, "burn rate" is calculated by dividing the number of Options, RSUs and DSUs granted during the applicable fiscal year by the weighted average number of issued and outstanding Common Shares for that year.

The LTIP will allow for a variety of equity based awards that provide different types of incentives to be granted to certain of our executive officers, employees and consultants (in the case of options ("**Options**") and restricted share units ("**RSUs**")) and directors (in the case of deferred share units ("**DSUs**")). Options, RSUs and DSUs are collectively referred to herein as "Awards". Each Award will represent the right to receive Common Shares in accordance with the terms of the LTIP. The following discussion is qualified in its entirety by the text of the LTIP.

Under the terms of the LTIP, our Board, or if authorized by our Board, our Compensation and HR Committee, may grant Awards to eligible participants, as applicable. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such participant. The interest of any participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by will or the laws of descent and distribution.

The LTIP will provide that appropriate adjustments, if any, will be made by our Board in connection with a reclassification, reorganization or other change of our Common Shares, share split or consolidation, distribution, merger or amalgamation, in the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the LTIP.

The maximum number of Common Shares reserved for issuance, in the aggregate, under the LTIP and the Legacy Omnibus Plan, collectively, will be 10% of the aggregate number of Common Shares issued and outstanding from time to time, or such other number as may be approved by the TSX and the shareholders of the Company from time to time. For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP and the Legacy Omnibus Plan, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the exercised, cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP. As a result, the LTIP is considered an "evergreen" plan.

The maximum number of Common Shares that may be: (i) issued to insiders of the Company within any one-year period; or (ii) issuable to insiders of the Company at any time, in each case, under the LTIP alone, or when combined with all of the Company's other security-based compensation arrangements, including the Legacy Omnibus Plan, cannot exceed 10% of the aggregate number of Common Shares issued and outstanding from time to time determined on a non-diluted basis.

An Option shall be exercisable during a period established by our Board which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the Option or such shorter period as the Board may determine. The minimum exercise price of an Option will be determined based on the closing price of the Common Shares on the TSX on the last trading day before the date such Option is granted. The LTIP will provide that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a black-out period. In such cases, the extended exercise period shall terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the LTIP has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted "cashless exercise" or a "net exercise" subject to the procedures set out in the LTIP, including the consent of our Board, where required.

The following table describes the impact of certain events upon the rights of holders of Options under the LTIP, including termination for cause, resignation, retirement, termination other than for cause, and death or long-term disability, subject to the terms of a participant's employment agreement, grant agreement and the change of control provisions described below:

Event Provisions	Provisions
Termination for Cause	Immediate forfeiture of all vested and unvested options.
Resignation, retirement and termination other than for cause	Forfeiture of all unvested options and the earlier of the original expiry date and 60 days after resignation to exercise vested options or such longer period as our Board may determine in its sole discretion.
Eligible Retirement	In the instance of termination of service under circumstances as shall constitute retirement for age as determined by the Compensation and HR Committee or in accordance with the written policies of the Compensation and HR Committee (" Eligible Retirement "), all outstanding Options shall remain outstanding and vest in accordance with their terms.
Death or long-term disability	Forfeiture of all unvested options and the earlier of the original expiry date and 12

	months after date of death or long-term disability to exercise vested options or such longer period as our Board may determine in its sole discretion.
--	--

The terms and conditions of grants of RSUs and DSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be set out in the participant's grant agreement. Impact of certain events upon the rights of holders of these types of Awards, including termination for cause, resignation, retirement, termination other than for cause, Eligible Retirement and death or long-term disability, will be set out in the participant's grant agreement.

In connection with a change of control of the Company, our Board will take such steps as are reasonably necessary or desirable to cause the conversion or exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, provided that our Board may accelerate the vesting of Awards if: (i) the required steps to cause the conversion or exchange or replacement of Awards are impossible or impracticable to take or are not being taken by the parties required to take such steps (other than the Company); or (ii) the Company has entered into an agreement which, if completed, would result in a change of control and the counterparty or counterparties to such agreement require that all outstanding Awards be exercised immediately before the effective time of such transaction or terminated on or after the effective time of such transaction. If a participant is terminated without cause during the 12 month period following a change of control, or after the Company has signed a written agreement to effect a change of control but before the change of control is completed, then any unvested Awards (based on the performance achieved up to the termination date in respect of PSUs) will immediately vest and may be exercised within 30 days of such date.

Our Board may, in its sole discretion, and without the approval of shareholders, suspend or terminate the LTIP at any time, or from time to time, amend, revise or discontinue the terms and conditions of the LTIP or of any securities granted under the LTIP and any grant agreement relating thereto, subject to any required regulatory and TSX approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP or as required by applicable laws.

Our Board may, in its sole discretion, and without the approval of shareholders, amend the LTIP or any securities granted under the LTIP at any time without the consent of a participant provided that such amendment shall: (i) not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP; (ii) be in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the TSX; and (iii) be subject to shareholder approval, where required by law, the requirements of the TSX or the LTIP, provided however that shareholder approval shall not be required for the

following amendments and our Board may make any changes which may include but are not limited to:

- any amendment to the vesting provisions of the Awards;
- any amendment regarding the effect of termination of a participant's employment or engagement;
- any amendment which accelerates the date on which any Award may be exercised under the LTIP;
- any amendment necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
- any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of the LTIP, correct or supplement any provision of the LTIP that is inconsistent with any other provision of the LTIP, correct any grammatical or typographical errors or amend the definitions in the LTIP;
- any amendment regarding the administration of the LTIP; and
- any other amendment that does not require the approval of shareholders pursuant to the amendment provisions of the LTIP,

provided that shareholder approval will be required for any alternation, amendment or variance that:

- increases the maximum number of Common Shares issuable under the LTIP, other than an adjustment pursuant to a change in capitalization;
- reduces the exercise price of Awards benefitting an insider of the Company, except in the case of an adjustment pursuant to a change in capitalization;
- extends expiration date of an Award benefitting an insider of the Company, except in the case of an extension due to black-out period;
- removes or exceed the insider participation limits; or
- amends the amendment provisions of the LTIP.

The above summary is qualified in its entirety by the full text of the LTIP, which is set out in Schedule "A" to this Information Circular. The Board encourages Shareholders to read the full text of the LTIP before voting on this resolution.

The Board and management of the Company recommend the approval of the adoption of the LTIP. To be effective, the LTIP Resolution must be approved by not less than a majority of the votes cast by the holders of Common Shares present in person or represented by proxy at the Meeting.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE LTIP RESOLUTION, UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER, OR ITS COMMON SHARES ARE TO BE VOTED AGAINST THE RESOLUTION.

The text of the resolution to be passed is set out below:

While the Code does not, and cannot, deal with every situation that may arise, the principles outlined in the Code should be seen as providing a baseline for honest and ethical decision-making. The Company shall ensure that each director, officer and employee is provided with a copy of the Code and signs an acknowledgment of receipt and review.

All directors, officers and employees are required to be familiar with the Code, comply with its provisions and report any suspected violations.

The Code is available on the Company's website at www.wallbridgeminig.com.

The Board has also adopted a Whistleblower Policy, monitored by the Audit committee, that contains procedures that allow directors, officers and employees to confidentially and anonymously submit their concerns without fear of retaliation to an independent third-party regarding questions of accounting, internal controls or auditing matters.

The Whistleblower Policy governs the receipt, retention and treatment of complaints regarding the accounting, internal accounting controls or auditing matters of the Company and to protect the confidential, anonymous reporting of employees' concerns regarding questionable accounting or auditing matters or breaches of the Code of Business Conduct and Ethics.

A copy of the Whistleblower policy can be found on the Company's website at www.wallbridgeminig.com.

Assessments

The Corporate Governance and Nominating Committee is responsible for regularly assessing the Board, its Committees and each individual director regarding his, her or its effectiveness and contribution and reviewing and assessing (i) the size, composition and operation of the Board to ensure effective decision making; and, (ii) the size, composition and chairs of the Committees of the Board.

In conducting its evaluation, the Corporate Governance and Nominating Committee gathers feedback regarding the overall assessment of the Board, of committees of the Board and of individual directors through verbal discussions with individual directors and during meetings of the Board, and through the use of a comprehensive confidential written questionnaire.

Director Term Limits

Given the evolution of the Company, the Board has not historically limited the number of terms a director may serve due to the time and effort necessary for each new director to become familiar with the business of the Company. As an alternative to term limits, in addition to reviewing director performance on an annual basis as part of assessing the composition of the Board, the Corporate Governance and Nominating Committee considers, among other things, the tenure of the existing directors and appropriate mix of tenures, as well as board succession planning. This has resulted in the following Board turnover over the last three years: in 2022, two directors were added; in 2023 one director elected not to stand for re-election and two directors left the Board; and, in 2024, one director elected not to stand for re-election to the Board and was not replaced. The average tenure of the nominee directors at the Meeting is approximately 4 years.

Succession Planning

The Board and the Compensation and HR Committee regularly consider succession planning for both the Board and management as part of the overall compensation, leadership and development strategy of the Company.

Diversity

The Board and the Corporate Governance and Nominating Committee believe that diversity and inclusion provide a depth of perspective and enhance the overall operation of both the Board and the Company generally. The Company has adopted a written Board Diversity Policy and, in 2023, also adopted a written diversity policy for all staff.

The Company has gradually reduced the size of the Board over time. In the event additional Directors are required in the future, the Company will continue to follow the Board Diversity Policy.

In the meantime, the Company has two female directors, Janet Wilkinson and Danielle Giovenazzo, who represent 33% of this year's 6 nominees. Both have been appointed to Board leadership roles as Chair of the Board and Chair of the Technical & HSE Committee, respectively.

The Board Diversity Policy is as follows:

Purpose

The Board of Directors ("**Board**") values the benefits that diversity can bring to the Board. Diversity promotes the inclusion of different perspectives and ideas, mitigates against group

think and improves oversight, decision-making and governance. Diversity on the Board also demonstrates the Company's commitment to diversity at all levels within the Company.

The Company is also committed to fostering an inclusive culture based on merit and free of conscious or unconscious bias.

At all times, the Company seeks to maintain a Board comprised of talented and dedicated directors with a diverse mix of experience, skills and backgrounds collectively reflecting the strategic needs of the business and the nature of the environment in which the Company operates. When assessing Board composition or identifying suitable candidates for appointment or re-election to the Board, the Company will consider candidates using objective criteria having due regard to the benefits of diversity and the needs of the Board. For purposes of this policy, diversity includes, but is not limited to, business experience, geography, age, gender, visible minorities, Indigenous peoples, persons with disabilities, sexual orientation and other personal characteristics.

The Board is required to report annually to shareholders on the diversity of its members, including the number and percentage of women directors.

With a view to enhancing Board diversity, the Board has adopted the following practices:

- When recruiting new candidates for director, search protocols will extend beyond the networks of existing Board members and will include the identification of a reasonable proportion of diverse candidates.
- Any search firm engaged to help identify candidates for appointment to the Board will be specifically directed to include diverse candidates.
- In the event the Board maintains an ongoing list of potential director candidates, the Board will ensure that such list includes diverse candidates.

The Company believes promotion of diversity is best served through careful consideration of all of the knowledge, experience, skills and backgrounds of each individual candidate for director in light of the needs of the Board, but seeks to maintain a target Board composition in which at least 30% of the Board are women.

When assessing the composition of the Board, the principal focus is on ensuring the Board has the diverse experiences, skills and backgrounds needed to oversee collectively the business of the Company and the Company takes a balanced approach when considering the extent to which personal characteristics are taken into account. The Board seeks to maintain diversity in membership of its Committees and in Board leadership roles and will consider diversity when assigning chair roles for the Board and its committees.

Administration, amendment and communication

The Corporate Governance and Nominating Committee is responsible for monitoring the application of, and compliance with, this Policy and will review this Policy and assess its

effectiveness in promoting a diverse board and report its findings to the Board on an annual basis.

As previously mentioned, in 2023, the Company adopted a formal Diversity Policy for all staff. Diversity statistics, including female and indigenous employment are tracked and reported in the Wallbridge Mining Sustainability Report. As of the date of this circular, one NEO, Mary Montgomery, is female (50%).

Section 2.2 Implementation and Administration of the Plan.

- (1) The Plan shall be administered and interpreted by the Board or, if the Board by resolution so decides, by the CHRC. If the CHRC is appointed for this purpose, all references to the term “Board” will be deemed to be references to the CRHC, except as may otherwise be determined by the Board.
- (2) Subject to the terms and conditions set forth in the Plan, the Board shall have the sole and absolute discretion to: (i) designate Participants; (ii) determine the type, size, and terms, and conditions of Awards to be granted; (iii) determine the method by which an Award may be settled, exercised, canceled, forfeited, or suspended; (iv) interpret and administer, reconcile any inconsistency in, correct any defect in, and supply any omission in the Plan and any Award granted under, the Plan; (v) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Board shall deem appropriate for the proper administration of the Plan; (vi) accelerate the vesting, delivery, or exercisability of, or payment for or lapse of restrictions on, or waive any condition in respect of, Awards; and (vii) make any other determination and take any other action that the Board deems necessary or desirable for the administration of the Plan or to comply with any applicable law.
- (3) No member of the Board will be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan, any Award Agreement or other document or any Awards granted pursuant to the Plan.
- (4) The day-to-day administration of the Plan may be delegated to such officers and employees of the Company as the Board determines.
- (5) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions regarding the Plan or any Award or any documents evidencing any Award granted pursuant to the Plan shall be within the sole discretion of the Board, may be made at any time, and shall be final, conclusive, and binding upon all persons or entities, including, without limitation, the Company, any Subsidiary, any Participant, any holder or beneficiary of any Award, and any shareholder of the Company.

Section 2.3 Eligible Participants.

- (1) The Persons who shall be eligible to receive Options, and RSUs shall be the officers, employees or Consultants of or to the Company or a Subsidiary, providing ongoing services to the Company and/or its Subsidiaries, and the Persons who shall be eligible to receive DSUs and Options shall be the Non-Employee Directors (collectively, **"Eligible Participants"**).

- (3) Notwithstanding any express or implied term of the Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee of employment or appointment by the Company or a Subsidiary.

Section 2.4 Shares Subject to the Plan.

- (1) Subject to Section 2.4(2) and subject to adjustment pursuant to provisions of Article 7 hereof, the total number of Shares reserved and available for grant and issuance pursuant to Awards under the Plan, and pursuant to awards or grants under any other Share Compensation Arrangement of the Company, shall not exceed ten percent (10%) of the total issued and outstanding Shares from time to time, or such other number as may be approved by the TSX and the shareholders of the Company from time to time. For the purposes of this Section 2.4(1), in the event that the Company cancels or purchases to cancel any of its issued and outstanding Shares (**"Cancellation"**) and as a result of such Cancellation, the Company exceeds the limit set out in this Section 2.4(1), no approval of the Company's shareholders will be required for the issuance of Shares on the exercise of any Options which were granted prior to such Cancellation. The Plan is considered an "evergreen" plan, since the Shares covered by Awards which have been exercised shall be available for subsequent grants under the Plan and the number of Awards available to grant increases as the number of issued and outstanding Shares increases from time to time.
- (2) For greater certainty, any issuance from treasury by the Company that is or was issued in reliance upon an exemption under applicable stock exchange rules applicable to security based compensation arrangements used as an inducement to Persons not previously employed by and not previously an Insider of the Company shall not be included in determining the maximum Shares reserved and available for grant and issuance under Section 2.4(1).
- (3) Shares in respect of which an Award is exercised, granted under the Plan (or any other Share Compensation Arrangement) but not exercised prior to the termination of such Award, not vested or settled prior to the termination of such Award due to the expiration, termination, cancellation or lapse of such Award shall be available for Awards to be granted thereafter pursuant to the provisions of the Plan. All Shares issued from treasury pursuant to the exercise or the vesting of the Awards granted under the Plan shall, when the applicable Exercise Price, if any, is received by the Company in connection therewith, be so issued as fully paid and non-assessable Shares.

Section 2.5 Participation Limits.

Subject to adjustment pursuant to provisions of Article 7 hereof, the aggregate number of Shares (i) issued to Insiders under the Plan or any other proposed or established Share Compensation Arrangement within any one (1) year period and (ii) issuable to Insiders at any time under the Plan or any other proposed or established Share Compensation Arrangement, shall in each case not exceed ten percent (10%) of the total issued and outstanding Shares from time to time determined on a non-diluted basis. Any Awards granted pursuant to the Plan to a Participant prior to the Participant becoming an Insider, shall be excluded for the purposes of the limits set out in this Section 2.5.

ARTICLE 3—OPTIONS

Section 3.1 Nature of Options.

Each Option is an option granted by the Company to a Participant entitling such Participant to acquire one (1) Share from treasury at the Exercise Price, subject to the provisions hereof.

Section 3.2 Option Awards.

- (1) The Board shall, from time to time, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) determine the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Exercise Price**”), (iv) determine the relevant vesting provisions and (v) determine the Expiry Date, the whole subject to the terms and conditions prescribed in the Plan, in any Option Agreement and any applicable rules of the TSX and any other stock exchange on which the Shares are listed or posted for trading.
- (2) All Options granted herein shall vest in accordance with the terms of the resolutions of the Board approving such Options and the terms of the Option Agreement entered into in respect of such Options.

Section 3.3 Exercise Price.

The Exercise Price for Shares that are the subject of any Option shall be fixed by the Board when such Option is granted, but shall not be less than the Market Value of such Shares at the time of the grant.

Section 3.4 Expiry Date; Blackout Period.

Subject to Section 7.2, each Option must be exercised no later than ten (10) years after the date the Option is granted or such shorter period as set out in the Participant’s Option Agreement, at which time such Option will expire (the “**Expiry Date**”). Notwithstanding any other provision of the Plan, each Option that would expire during or within ten (10) Business Days immediately following a Black-Out Period shall expire on the date that is ten (10) Business Days immediately following the expiration of the Black-Out Period. Where an Option will expire on a date that falls immediately after a Black-Out Period, and for greater certainty, not later than ten (10) Business Days after the Black-Out Period, then the date such Option will expire will be automatically extended by such number of days equal to ten (10) Business Days less the number of Business Days after the Black-Out Period that the Option expires.

Section 3.5 Option Agreement.

Each Option must be confirmed by an Option Agreement. The Option Agreement shall contain such terms that may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or the rules of any Regulatory Authority.

Section 3.6 Exercise of Options.

- (1) Subject to the provisions of the Plan, a Participant shall be entitled to exercise an Option granted to such Participant, subject to vesting limitations which may be imposed by the Board at the time such Option is granted and set out in the Option Agreement.
- (2) Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable as to all or such part or parts of the optioned Shares and at such time or times and/or other vesting conditions as the Board may determine in its sole discretion.
- (3) No fractional Shares will be issued upon the exercise of Options granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise of an Option, or from an adjustment pursuant to Section 7.1, such Participant will only have the right to

acquire the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Section 3.7 Method of Exercise and Payment of Purchase Price.

- (1) Subject to the provisions of the Plan and the alternative exercise procedures set out herein, an Option granted under the Plan may be exercisable (from time to time as provided in Section 3.6 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering an exercise notice substantially in the form appended to the Option Agreement (an “**Exercise Notice**”) to the Company in the form and manner determined by the Board from time to time, together with a bank draft, certified cheque, wire transfer or other form of payment acceptable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Options and any applicable tax withholdings.
- (2) Pursuant to the Exercise Notice, and subject to the approval of the Board, a Participant may choose to undertake a “cashless exercise” with the assistance of a broker (the “**Broker**”) in order to facilitate the exercise of such Participant’s Options. The “cashless exercise” procedure may include a sale of such number of Shares as is necessary to raise an amount equal to the aggregate Exercise Price for all Options being exercised by that Participant under an Exercise Notice and any applicable tax withholdings. Pursuant to the Exercise Notice, the Participant may authorize the Broker to sell Shares on the open market by means of a short sale and forward the proceeds of such short sale to the Company to satisfy the Exercise Price and any applicable tax withholdings, promptly following which the Company shall issue the Shares underlying the number of Options as provided for in the Exercise Notice.
- (3) In addition, in lieu of exercising any vested Option in the manner described in Section 3.7(1) or Section 3.7(2), and pursuant to the terms of this Section 3.7(3) but subject to Section 3.6(3), a Participant may, by surrendering an Option (“**Surrender**”) with a properly endorsed notice of Surrender to the Corporate Secretary of the Company, substantially in the form appended to the Option Agreement or such other form as the Board may approve from time to time (a “**Surrender Notice**”), elect to receive that number of Shares calculated using the following formula, subject to acceptance of such Surrender Notice by the Board and provided that arrangements satisfactory to the Company have been made to pay any applicable withholding taxes:

$$X = (Y * (A-B)) / A$$

Where:

X = the number of Shares to be issued to the Participant upon exercising such Options; provided that if the foregoing calculation results in a negative number, then no Shares shall be issued;

Y = the number of Shares underlying the Options to be Surrendered;

A = the Market Value of the Shares as at the date of the Surrender; and

B = the Exercise Price of such Options.

- (4) No share certificates shall be issued and no person shall be registered in the share register of the Company as the holder of Shares until actual receipt by the Company of an Exercise Notice and payment for the Shares to be purchased.
- (5) Upon the exercise of an Option pursuant to Section 3.7(1) or Section 3.7(3), the Company shall, as soon as practicable after such exercise but no later than ten (10) Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares to deliver to the Participant

(or as the Participant may otherwise direct) such number of Shares as the Participant shall have then paid for and as are specified in such Exercise Notice.

Section 3.8 Termination of Employment.

- (1) Subject to a written Employment Agreement of a Participant or Option Agreement and as otherwise determined by the Board, each Option shall be subject to the following conditions:
 - (a) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for "cause", all unexercised vested or unvested Options granted to such Participant shall terminate on the Termination Date as specified in the notice of termination. For the purposes of the Plan, the determination by the Company that the Participant was discharged for cause shall be binding on the Participant. Subject to the terms of the Employment Agreement, "cause" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company's Code of Business Conduct and Ethics and any reason determined by the Company to be cause for termination.
 - (b) **Resignation, Retirement and Termination other than for Cause.** In the case of a Participant ceasing to be an Eligible Participant due to such Participant's resignation, retirement or termination other than for "cause", as applicable, subject to any later expiration dates determined by the Board, all Options shall expire on the earlier of sixty (60) days after the effective date of such Termination Date or the expiry date of such Option, to the extent such Option was vested and exercisable by the Participant on the effective date of such Termination Date, and all unexercised unvested Options granted to such Participant shall terminate on the effective date of such resignation, retirement or termination.
 - (c) **Eligible Retirement.** In the case of a Participant ceasing to be an Eligible Participant due to Eligible Retirement, all outstanding Options shall remain outstanding and vest in accordance with their terms.
 - (d) **Death or Long-term Disability.** In the case of a Participant ceasing to be an Eligible Participant due to death or long-term disability, as applicable, subject to any later expiration dates determined by the Board, all Options shall expire on the earlier of twelve (12) months after the effective date of such death or long-term disability, or the expiry date of such Option, to the extent such Option was vested and exercisable by the Participant on the effective date of such death or long-term disability, and all unexercised unvested Options granted to such Participant shall terminate on the effective date of such death or long-term disability.
- (2) For the avoidance of doubt, subject to applicable laws, no period of notice, if any, or payment instead of notice that is given or that ought to have been given under applicable law, whether by statute, imposed by a court or otherwise, in respect of such termination of employment that follows or is in respect of a period after the Participant's Termination Date will be considered as extending the Participant's period of employment for the purposes of determining his entitlement under the Plan.
- (3) The Participant shall have no entitlement to damages or other compensation arising from or related to not receiving any awards which would have settled or vested or accrued to the Participant after the Termination Date.

ARTICLE 4—DEFERRED SHARE UNITS

Section 4.1 Nature of DSUs.

A DSU is a unit granted to Non-Employee Directors representing the right to receive a Share, subject to restrictions and conditions as the Board may determine at the time of grant. Conditions may be based on continuing service as a Non-Employee Director (or other service relationship) and/or vesting terms.

Section 4.2 DSU Awards.

- (1) Subject to the Company's director compensation policy determined by the Board from time to time, each Non-Employee Director may elect to receive all or a portion his or her annual retainer fee in the form of a grant of DSUs in each fiscal year. The number of DSUs shall be calculated as the amount of the Non-Employee Director's annual retainer fee elected to be paid by way of DSUs divided by the Market Value. At the discretion of the Board, fractional DSUs will not be issued and any fractional entitlements will be rounded down to the nearest whole number.
- (2) Each DSU must be confirmed by a DSU Agreement that sets forth the terms, conditions and limitations for each DSU and may include, without limitation, the vesting and terms of the DSUs and the provisions applicable on a Termination Date, and shall contain such terms that may be considered necessary in order that the DSU will comply with any provisions respecting DSUs in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or the rules of any Regulatory Authority.
- (3) Any DSUs that are awarded to a Non-Employee Director who is a resident of Canada or employed in Canada (each for purposes of the Tax Act) shall be structured so as to be considered to be a plan described in section 7 of the Tax Act (or any successor to such provision).
- (4) Subject to vesting and other conditions and provisions set forth herein and in the DSU Agreement, each DSU awarded to a Non-Employee Director shall entitle the Non-Employee Director to receive one (1) Share issued from treasury.

Section 4.3 Redemption of DSUs.

- (1) Each Non-Employee Director shall be entitled to redeem his or her DSUs during the period commencing on the Business Day immediately following the Termination Date and ending on the last day of the calendar year following the year of the Termination Date, or such shorter redemption period set out in the relevant DSU Agreement (the "**DSU Redemption Deadline**"), by providing a written notice of settlement to the Company setting out the number of DSUs to be settled and the particulars regarding the registration of the Shares issuable upon settlement, if applicable (the "**DSU Redemption Notice**"). In the event of the death of a Non-Employee Director, the Notice of Redemption shall be filed by the administrator or liquidator of the estate of the Non-Employee Director.
- (2) If a DSU Redemption Notice is not received by the Company on or before the DSU Redemption Deadline, the Non-Employee Director shall be deemed to have delivered a DSU Redemption Notice on the DSU Redemption Deadline and, if not otherwise set out in the DSU Agreement, the Board shall determine the number of DSUs to be settled by way of Shares and delivered to the Non-Employee Director, administrator or liquidator of the estate of the Non-Employee Director, as applicable.
- (3) Subject to Section 8.4 and the DSU Agreement, settlement of DSUs shall take place promptly following the Company's receipt or deemed receipt of the DSU Redemption Notice through delivery of a Share to the Non-Employee Director.

ARTICLE 5—RESTRICTED SHARE UNITS

Section 5.1 Nature of Restricted Share Units.

A RSU is an Award entitling the recipient to acquire Shares, at such purchase price (which may be zero) as determined by the Board, subject to such restrictions and conditions as the Board may determine at the time of grant.

Section 5.2 Restricted Share Unit Awards.

- (1) Subject to the provisions herein set forth and any shareholder or regulatory approval which may be required, the Board shall, from time to time, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, and (iii) determine the relevant conditions and vesting provisions and Restriction Period of such RSUs, the whole subject to the terms and conditions prescribed in the Plan and in any RSU Agreement.
- (2) Each RSU must be confirmed by an RSU Agreement that sets forth the terms, conditions and limitations for each RSU and may include, without limitation, the vesting and terms of the RSUs and the provisions applicable in the event employment or service terminates, and shall contain such terms that may be considered necessary in order that the RSUs will comply with any provisions respecting RSUs in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or the rules of any Regulatory Authority.
- (3) Any RSUs that are awarded to an Eligible Participant who is a resident of Canada or employed in Canada (each for purposes of the Tax Act) shall be structured so as to be considered to be a plan described in section 7 of the Tax Act (or any successor to such provision).
- (4) Subject to the vesting and other conditions and provisions set forth herein and in the RSU Agreement, the Board shall determine whether each RSU awarded to a Participant shall entitle the Participant to receive one (1) Share issued from treasury.
- (5) The applicable settlement period in respect of a particular RSU shall be determined by the Board. Except as otherwise provided in the Award Agreement or any other provision of the Plan, all vested RSUs shall be settled as soon as practicable following the RSU Vesting Determination Date but in all cases prior to ten (10) years following the date of grant of a RSU. Following the receipt of such settlement, the RSUs so settled shall be of no value whatsoever and shall be removed from the Participant's Account. In the case of the Eligible Retirement of a Participant, all outstanding RSUs credited to the Participant shall remain outstanding and vest in accordance with their terms.

Section 5.3 Restricted Share Unit Vesting Determination Date.

The vesting determination date means the date on which the Board that the vesting conditions with respect to a RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any.

ARTICLE 6—GENERAL CONDITIONS

Section 6.1 General Conditions applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Employment** - The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ in any capacity. For greater certainty, the granting of Awards to a Participant shall not impose any obligation on the Company to grant any awards in the future nor shall it entitle the Participant to receive future grants.

- (2) **No Rights as a Shareholder** - Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards until the date of issuance of a share certificate to such Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) or the entry of such person's name on the share register for the Shares. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such share certificate is issued or entry of such person's name on the share register for the Shares.
- (3) **Conformity to Plan** – In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (4) **Non-Transferability** – Except as set forth herein, Awards are not transferable. Awards may be exercised only by:
- (a) the Participant to whom the Awards were granted;
 - (b) upon the Participant's death, by the legal representative of the Participant's estate; or
 - (c) upon the Participant's incapacity, the legal representative having authority to deal with the property of the Participant;
- provided that any such legal representative shall first deliver evidence satisfactory to the Company of entitlement to exercise any Award. A person exercising an Award may subscribe for Shares only in the person's own name or in the person's capacity as a legal representative.
- (5) **No Guarantee** – For greater certainty, the granting of Awards to a Participant shall not impose any obligation on the Company to grant any Awards in the future nor shall it entitle the Participant to receive future grants. No amount will be paid to or in respect of a Participant under the Plan or pursuant to any other arrangement, and no Awards will be granted to such Participant to compensate for any downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon or in respect of the Participant for such purpose.
- (6) **Acceptance of Terms** – Participation in the Plan by any Participant shall be construed as acceptance of the terms and conditions of the Plan by the Participant and as to the Participant's agreement to be bound thereby.

Section 6.2 Unfunded Plan.

Unless otherwise determined by the Board, the Plan shall be unfunded. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Awards under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.

ARTICLE 7—ADJUSTMENTS AND AMENDMENTS

Section 7.1 Adjustment to Shares Subject to Outstanding Awards.

- (1) In the event of any stock dividend, stock split, combination or exchange of Shares, merger, consolidation, spin-off or other distribution (other than normal cash dividends) of the Company's assets to shareholders, or any other change in the Shares, the Board will make such proportionate adjustments, if any, as the Board in its discretion, subject to regulatory approval, may deem appropriate to reflect such change (for the purpose of preserving the value of the Awards), with

respect to (i) the number or kind of Shares or other securities reserved for issuance pursuant to the Plan; and (ii) the number or kind of Shares or other securities subject to unexercised Awards previously granted and the exercise price of those Awards provided, however, that no substitution or adjustment will obligate the Company to issue or sell fractional Shares. The existence of any Awards does not affect in any way the right or power of the Company or an Affiliate or any of their respective shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the capital structure or the business of, or any amalgamation, merger or consolidation involving, to create or issue any bonds, debentures, shares or other securities of, or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of or any sale or transfer of all or any part of the assets or the business of, or to effect any other corporate act or proceeding relating to, whether of a similar character or otherwise, the Company or such Affiliate, whether or not any such action would have an adverse effect on the Plan or any Award granted hereunder.

Section 7.2 Amendment or Discontinuance of the Plan.

- (1) The Board may, in its sole discretion, and without the approval of shareholders, suspend or terminate the Plan at any time or from time to time and/or amend or revise the terms of the Plan or of any Award granted under the Plan and any agreement relating thereto, provided that such suspension, termination, amendment, or revision shall:
 - (a) not adversely alter or impair any Award previously granted except as permitted by the terms of the Plan or upon the consent of the applicable Participant(s); and
 - (b) be in compliance with applicable law and with the prior approval, if required, of the shareholders of the Company and of the TSX or any other stock exchange upon which the Company has applied to list its Shares;

and further provided that if the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any Award or any rights awarded or granted under the Plan remain outstanding and, notwithstanding the termination of the Plan, the Board will have the ability to make such amendments to the Plan or the Awards as they would have been entitled to make if the Plan were still in effect.

- (2) Subject to Section 7.2(3), the Board may from time to time, in its discretion and without the approval of shareholders, make changes to the Plan or any Award that do not require the approval of shareholders under Section 7.2(1) which may include but are not limited to:
 - (a) a change to the vesting provisions of any Award granted under the Plan;
 - (b) a change to the provisions governing the effect of termination of a Participant's employment, contract or office;
 - (c) a change to accelerate the date on which any Award may be exercised under the Plan;
 - (d) an amendment of the Plan or an Award as necessary to comply with applicable law or the requirements of any exchange upon which the securities of the Company are then listed or any other Regulatory Authority, the Plan, the Participants or the shareholders of the Company;
 - (e) any amendment of a "housekeeping" nature, including without limitation those made to clarify the meaning of an existing provision of the Plan or any agreement, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan or any agreement, correct any grammatical or typographical errors or amend the definitions in the Plan regarding administration of the Plan; or

- (f) any amendment regarding the administration of the Plan.
- (3) Notwithstanding the foregoing or any other provision of the Plan, shareholder approval is required for the following amendments to the Plan:
 - (a) any increase in the maximum number of Shares that may be issuable from treasury pursuant to awards granted under the Plan, other than an adjustment pursuant to Section 7.1;
 - (b) any reduction in the exercise price of an Award benefitting an Insider, except in the case of an adjustment pursuant to Section 7.1;
 - (c) any extension of the Expiry Date of an Award benefitting an Insider, except in case of an extension due to a Black-Out Period;
 - (d) any amendment to remove or to exceed the insider participation limit set out in Section 2.5; and
 - (e) any amendment to Section 7.2(2) or Section 7.2(3) of the Plan.

Section 7.3 Change of Control.

- (1) Despite any other provision of the Plan, but subject to Section 7.3(4), in the event of a Change of Control, all unvested Awards then outstanding will, as applicable, be substituted by or replaced with awards of the surviving corporation (or any Affiliate thereof) or the potential successor (or any Affiliate thereto) (the “**continuing entity**”) on the same terms and conditions as the original Awards, subject to appropriate adjustments that do not diminish the value of the original Awards.
- (2) If, upon a Change of Control, the continuing entity fails to comply with Section 7.3(1), the vesting of all then outstanding Awards (and, if applicable, the time during which such Awards may be exercised) will be accelerated in full.
- (3) No fractional Shares or other security will be issued upon the exercise of any Award and accordingly, if as a result of a Change of Control, a Participant would become entitled to a fractional Share or other security, such participant will have the right to acquire only the next lowest whole number of Shares or other security and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
- (4) Despite anything else to the contrary in the Plan, in the event of a potential Change of Control, the Board will have the power, in its sole discretion, to modify the terms of the Plan and/or the Awards to assist the Participants in tendering to a take-over bid or other transaction leading to a Change of Control. For greater certainty, in the event of a take-over bid or other transaction leading to a Change of Control, the Board has the power, in its sole discretion, to accelerate the vesting of Awards and to permit Participants to conditionally exercise their Awards, such conditional exercise to be conditional upon the take-up by such offeror of the Shares or other securities tendered to such take-over bid in accordance with the terms of the take-over bid (or the effectiveness of such other transaction leading to a Change of Control). If, however, the potential Change of Control referred to in this Section 7.3(4) is not completed within the time specified (as the same may be extended), then despite this Section 7.3(4) or the definition of “Change of Control”, (i) any conditional exercise of vested Awards will be deemed to be null, void and of no effect, and such conditionally exercised Awards will for all purposes be deemed not to have been exercised, and (ii) Awards which vested pursuant to this Section 7.3(4) will be returned by the Participant to the Company and reinstated as authorized but unissued Shares and the original terms applicable to such Awards will be reinstated.

- (5) If the Board has, pursuant to the provisions of Section 7.3(4) permitted the conditional exercise of Awards in connection with a potential Change of Control, then the Board will have the power, in its sole discretion, to terminate, immediately following actual completion of such Change of Control and on such terms as it sees fit, any Awards not exercised (including all vested and unvested Awards).

ARTICLE 8—MISCELLANEOUS

Section 8.1 Currency.

Unless otherwise specifically provided, all references to dollars in the Plan are references to Canadian dollars.

Section 8.2 Compliance and Award Restrictions.

- (1) The Company's obligation to issue and deliver Shares under any Award is subject to: (i) the completion of such registration or other qualification of such Shares or obtaining approval of such Regulatory Authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Shares to listing on any stock exchange on which such Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which such Shares are then listed.
- (2) The Participant agrees to fully cooperate with the Company in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance by the Company with such laws, rule and requirements, including all tax withholding and remittance obligations.
- (3) No Awards will be granted where such grant is restricted pursuant to the terms of any trading policies or other restrictions imposed by the Company.
- (4) The Company is not obliged by any provision of the Plan or the grant of any Award under the Plan to issue or sell Shares if, in the opinion of the Board, such action would constitute a violation by the Company or a Participant of any laws, rules and regulations or any condition of such approvals.
- (5) If Shares cannot be issued to a Participant upon the exercise or settlement of an Award due to legal or regulatory restrictions, the obligation of the Company to issue such Shares will terminate and, if applicable, any funds paid to the Company in connection with the exercise of any Options will be returned to the applicable Participant as soon as practicable.
- (6) At the time a Participant ceased to hold Awards which are or may become exercisable, the Participant ceases to be a Participant.
- (7) Nothing contained herein will prevent the Board from adopting other or additional compensation arrangements for the benefit of any Participant or any other Person, subject to any required regulatory, shareholder or other approval.

Section 8.3 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer the Awards granted under the Plan and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in

accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.4 Tax Withholding.

- (1) Notwithstanding any other provision of the Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of applicable source deductions. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding obligation may be satisfied by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.3 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or appropriate to conform with local tax and other rules. Notwithstanding any other provision of the Plan, the Company shall not be required to issue any Shares or make payments under this Plan until arrangements satisfactory to the Company have been made for payment of all applicable withholdings obligations.
- (2) The sale of Shares by the Company, or by a Broker, under Section 8.4(1) or under any other provision of the Plan will be made on the TSX. The Participant consents to such sale and grants to the Company an irrevocable power of attorney to effect the sale of such Shares on his behalf and acknowledges and agrees that (i) the number of Shares sold will be, at a minimum, sufficient to fund the withholding obligations net of all selling costs, which costs are the responsibility of the Participant and which the Participant hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Shares, the Company or the Broker will exercise its sole judgment as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and (iii) neither the Company nor the Broker will be liable for any loss arising out of such sale of the Shares including any loss relating to the pricing, manner or timing of the sales or any delay in transferring any Shares to a Participant or otherwise.
- (3) The Participant further acknowledges that the sale price of the Shares will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale. The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting the participant resulting from the grant or exercise of an Awards and/or transactions in the Shares. Neither the Company, nor any of its directors, officers, employees, shareholders or agents will be liable for anything done or omitted to be done by such person or any other person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares under the Plan, with respect to any fluctuations in the market price of Shares or in any other manner related to the Plan.

Section 8.5 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Section 8.9 No liability.

No member of the Board or of the CHRC shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder.

Section 8.10 Effective Date of the Plan.

**ADDENDUM FOR U.S. PARTICIPANTS
WALLBRIDGE MINING COMPANY LIMITED
OMNIBUS LONG-TERM INCENTIVE PLAN**

The provisions of this Addendum apply to Awards held by a U.S. Participant. All capitalized terms used in this Addendum but not defined in Section 1 below have the meanings attributed to them in the Plan. The Section references set forth below match the Section references in the Plan. This Addendum shall have no other effect on any other terms and provisions of the Plan except as set forth below.

1. Definitions

“cause” means gross misconduct, theft, fraud, breach of confidentiality or breach of the Company’s Code of Business Conduct and Ethics and any reason determined by the Company to be cause for termination, provided however that the Participant has provided the Company (or applicable Subsidiary) with written notice of the acts or omissions constituting grounds for “cause” within 90 days of such act or omission and the Company (or applicable Subsidiary) shall have failed to rectify, as determined by the Board acting reasonably, any such acts or omissions within 30 days of the Company’s (or applicable Subsidiary’s) receipt of such notice.

“Separation from Service” means, with respect to a U.S. Participant, any event that may qualify as a separation from service under Treasury Regulation Section 1.409A-1(h). A U.S. Participant shall be deemed to have separated from service if he or she dies, retires, or otherwise has a termination of employment as defined under Treasury Regulation Section 1.409A-1(h).

“Service Recipient” means, with respect to a U.S. Participant holding a given award under the Plan, the Company or one of its Affiliates by which the original recipient of such award is, or following a Separation from Service was most recently, principally employed or to which such original recipient provides, or following a Separation from Service was most recently providing services, as applicable.

“Specified Employee” has the meaning set forth in Treasury Regulation Section 1.409A-1(i).

2. Section 3.4 is deleted in its entirety and replaced with the following:

“Subject to Section 7.2, each Option must be exercised no later than ten (10) years after the date the Option is granted or such shorter period as set out in the Participant’s Option Agreement, at which time such Option will expire (the **“Expiry Date”**). Notwithstanding any other provision of the Plan, each Option that would expire during or within ten (10) Business Days immediately following a Black-Out Period shall expire on the date that is ten (10) Business Days immediately following the expiration of the Black-Out Period.”

3. Section 5.3 is deleted in its entirety and replaced with the following:

“The vesting determination date means the date on which the Board determines if the vesting conditions with respect to a RSU have been met (the **“RSU Vesting Determination Date”**), and as a result, establishes the number of RSUs that become vested, if any.

Notwithstanding the foregoing, if the U.S. Participant vests in his or her RSUs pursuant to the Plan, within 30 days following such U.S. Participant’s Separation from Service and subject to Section 8.4, the Company shall issue from treasury the number of Shares that is equal to the number of vested RSUs held by the U.S. Participant as at the U.S. Participant’s Separation from Service (rounded down to the nearest whole number), as fully paid and non-assessable Shares. Upon settlement of such RSUs, the corresponding number of RSUs shall be cancelled and the U.S. Participant shall have no further rights, title or interest with respect thereto.”

4. No Acceleration

With respect to any Award held by a U.S. Participant that is subject to Code Section 409A, the acceleration of the time or schedule of any payment except as provided under the Plan (including this addendum) is prohibited, except as provided in regulations and administrative guidance promulgated under Code Section 409A. Unless otherwise provided by the Board in an Award Agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered "deferred compensation" subject to Code Section 409A) would be accelerated upon the occurrence of (i) a Change of Control, no such acceleration shall be permitted unless the event giving rise to the Change of Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Code Section 409A; or (ii) a "disability" or "incapacity", no such acceleration shall be permitted unless the "disability" or "incapacity" also satisfies the definition of "Disability" pursuant to Code Section 409A.

5. Code Section 409A

Each grant of RSUs to a U.S. Participant is intended to be exempt from Code Section 409A. However, to the extent any Award is subject to Section 409A, then:

- (a) all payments to be made upon a U.S. Participant's Termination Date shall only be made upon a Separation from Service.
- (b) if on the date of the U.S. Participant's Separation from Service the Company's shares (or shares of any other Company that is required to be aggregated with the Company in accordance with the requirements of Code Section 409A) is publicly traded on an established securities market or otherwise and the U.S. Participant is a Specified Employee, then the benefits payable to the Participant under the Plan that are payable due to the U.S. Participant's Separation from Service shall be postponed until the date that is six (6) months following the U.S. Participant's Separation from Service, or, if earlier, the U.S. Participant's death. Following any applicable six (6) month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Code Section 409A.
- (c) each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

If any provision of the Plan contravenes Code Section 409A or could cause the U.S. Participant to incur any tax, interest or penalties under Code Section 409A, the Board may, in its sole discretion and without the U.S. Participant's consent, modify such provision to: (i) comply with, or avoid being subject to, Code Section 409A, or to avoid incurring taxes, interest and penalties under Code Section 409A; and/or (ii) maintain, to the maximum extent practicable, the original intent and economic benefit to the U.S. Participant of the applicable provision without materially increasing the cost to the Company or contravening Code Section 409A. However, the Company shall have no obligation to modify the Plan or any RSU and does not guarantee that RSUs will not be subject to taxes, interest and penalties under Code Section 409A. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan (including any taxes and penalties under Code Section 409A), and neither the Service Recipient, the Company or any of its Affiliates shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties.
